

NEW AEROMEXICO ROUTE IN THE UNITED STATES WILL CONNECT TO PHOENIX

- The route will be operated from Mexico City starting March 30, 2025.
- Phoenix will be Aeromexico's 25th U.S. destination.
- 28 new routes have been launched this year, connecting the United States with the main cities of Mexico.

Mexico City, October 21, 2024.- Aeromexico and Delta continue expanding their network to connect the United States and Mexico. Starting March 30, a new daily flight to Phoenix, Arizona will be operated from Mexico City International Airport.

This represents an offer of more than 2,300 round-trip seats per week, and the details of the itinerary are as follows:

ROUTE	DEPARTURE	ARRIVAL
MEXICO CITY (MEX) – PHOENIX (PHX)	09:55 h	12:25 h
PHOENIX (PHX) – MEXICO CITY (MEX)	13:51 h	18:00 h

Phoenix, located in the heart of Arizona, is a key destination for business and leisure trips. On the other hand, passengers flying to Mexico City will benefit from the airline's domestic network, which comprises 55 routes.

"This alliance solidifies Aeromexico and Delta as the airlines with the best connectivity between the United States and Mexico. By the end of 2024, we will jointly operate 80 routes, with more than 135 daily flights between both regions. We are excited that Arizona's capital city will join this expansion; the city is a great destination for both business and leisure," said Jeff Morgan, Aeromexico's Senior Vice President of Network Planning and Scheduling.

"We are excited to welcome Aeromexico back to Phoenix Sky Harbor International Airport to serve this crucial market," Phoenix Mayor Kate Gallego said. *"The demand for flights to Mexico from Phoenix has grown by 155% compared to pre-pandemic levels. Aeromexico's nonstop service to Mexico City will improve travel options for our community as well as strengthen tourism and trade between our close-knit regions."*

Phoenix, better known as the Valley of the Sun, is characterized by its pleasant sunny weather year-round and majestic desert landscapes. The city offers many tourist attractions, including adventure, culture, or luxury activities such as vineyards, old Western ghost towns, golf courses, and world-class spas. Additionally, visitors can take advantage of the city's proximity to the Grand Canyon National Park.

Aeromexico will fly the route with Boeing 737 MAX aircraft, known for its comfort, offering more legroom, overhead compartments with 50% more capacity, and high-speed Wi-Fi service, among other advantages.

The Aeromexico-Delta alliance has launched over 28 new routes this year, connecting key cities in Mexico and the United States, providing a standardized service that ensures a consistent customer experience.

About Delta/ Aeromexico

Through their Joint Cooperation Agreement (JCA), Delta Air Lines and Aeromexico launched the leading transborder airline alliance between the United States and Mexico. This agreement offers more connectivity and scheduling options that benefit customers from both airlines while deepening the relationship they have shared for 21 years as members of the SkyTeam global airline alliance. Delta provides service in the United States through its connecting hubs in Atlanta, Detroit, Los Angeles, Minneapolis-St. Paul, New York-JFK, Salt Lake City, and Seattle; and Aeromexico offers greater access to Mexico through its hub in Mexico City. The airlines are enhancing the customer experience through increased connectivity, by investing in boarding gates, VIP lounges, and frequent flyer benefits through SkyMiles and Aeromexico Rewards accruals.
