

AEROMEXICO RESUMES SERVICE TO MORELIA

- *Thanks to fleet growth, the Mexico City – Morelia route will resume operations on September 19.*
- *The reopening represents an offer of more than 11 thousand monthly seats.*

Mexico City, June 22, 2022.- Aeromexico will resume operations between Mexico City and Morelia, Michoacan, starting on September 19 with two daily frequencies, which represent an offer of more than 11 thousand seats per month thanks to the growth of its fleet.

Tickets for this route will be on sale starting June 25. The flight will operate with an Embraer 190 aircraft on the following itinerary:

Mexico City - Morelia

09:10 hrs	10:10 hrs	Daily
14:40 hrs	15:42 hrs	Daily

Morelia - Mexico City

10:55 hrs	11:55 hrs	Daily
16:18 hrs	17:20 hrs	Daily

With this reopening, as of September, Aeromexico will increase its network to 93 routes, 51 of which are in the domestic market.

The airline inaugurated flights between Mexico City and Michoacan in 2007. Morelia is distinguished for its spectacular beauty and was recognized as a World Heritage Site by UNESCO in 1991. In addition, its historic center is the site with the most monuments cataloged as architecturally relevant in all of Mexico.

Morelia has become one of the favorite destinations for social events, taking its streets, landscapes, and historic precincts as a backdrop.

In this way, Aeromexico continues to fulfill its commitment to offer the best domestic and international connectivity using the most modern, efficient, and eco-friendly aircraft.

By the end of 2021, the airline had 118 aircraft, and it expects to end this year operating with 147.

About Grupo Aeromexico

Grupo Aeromexico, S.A.B. de C.V. is a holding company whose subsidiaries are engaged in commercial aviation in Mexico and the promotion of passenger loyalty programs. Aeromexico, Mexico's global airline has its main hub at Mexico City International Airport.
